ESPCA LAUNCHES NEW PROGRAM – ESPCA PET PARTNERS

ENID, OKLA., April 15, 2019 - Enid Society for the Prevention of Cruelty to Animals (ESPCA) is pleased to announce the launch of their new monthly automated giving program, ESPCA Pet Partners. This program allows donors to have a continuing impact through reoccurring donations. Participants may select a donation level that fits their budget, from as little as 33 cents per day. ESPCA Pet Partners allows the ease of automated payments while providing the ESPCA vital funding. Interested supporters should visit espca.org to set up a monthly donation.

ESPCA is committed to responsible fiscal spending and relies on contributions to make the largest impact possible. In 2018, Enid SPCA successfully matched more than 988 animals with their forever homes! This record number can only continue to grow through charitable support. The ESPCA Pet Partners giving program allows the ESPCA to be effective, purposeful, and dedicated to improving the health and welfare of adoptable companion animals in and around the city of Enid.

The ESPCA was able to impact the Enid community in the following ways in 2018:

- Spaying and neutering of animals in the Enid community – over 1,800
- Providing vaccinations, heartworm tests, and microchips – 10,593
- Rescue Waggin' Program – 200 animals transported from kill shelters to no-kill facilities
- Providing trained emergency relief care for animals after natural disasters
- Transporting adoptable pets out-of-state, to communities wanting to provide them with loving homes
- Providing support for our community through our Pet Pantry Program, helping to feed animals in homes experiencing hardship

“We have the ultimate goal of putting an end to adoptable pet euthanasia in the City of Enid and our dedicated staff and volunteers are making huge strides toward achieving that goal! Donor’s support of the Pet Partner monthly giving program can really help us make this vision a reality,” says ESPCA Executive Director Vickie Grantz.

Along with the Pet Partners monthly giving program, the ESPCA offers it’s supporters options to give to the organization through third-party fundraising, tribute or memorial giving, as well as focused need and general giving opportunities. Please call (580) 233-1325 or visit espca.org for more information on donating, volunteering, or adopting a pet through the ESPCA.

ABOUT ESPCA:

The Enid SPCA is a registered non-profit agency, and all donations are tax deductible. The ESPCA is not funded by the ASPCA or any other state or national organization. **Our mission** is to provide compassionate care to companion animals awaiting adoption.
